RE: Application of South Carolina Electric & Gas Company for a Certificate of Environmental Compatibility and Public Convenience and Necessity for the Construction and Operation of 230 kV Transmission Lines and Hopkins 230/115 kV Substation; Docket No. 2005-58-E

Dear Mr. Terreni:

Enclosed for filing please find the original and two (2) copies of a letter from South Carolina Department of Parks, Recreation & Tourism in the above-captioned matter. I would appreciate your acknowledging receipt of this document by date-stamping the extra copy that is enclosed and returning it to me via our courier delivering same. By copy of this letter, I am serving all parties of record and enclose my certificate of service to that effect.

If you have any questions or comments, please do not hesitate to contact me.

Very truly yours,

WILLOUGHBY & HOEFER, P.A.

Re: 230kV transmission line and Hopkins 230kV-115kV substation

Dear Mr. Beltman:

The South Carolina Department of Parks, Recreation and Tourism has no comments or concerns pertinent to your project at this time. We do, however, encourage the use of "best management practices" in development. Thank you for the opportunity to review and comment on this and other projects that could possibly affect existing and/or planned recreational facilities.

Sincerely,

Tony L. Bebb,
Planning Manager
